INTRODUCTION

The Delaware State Housing Authority (DSHA) was created in 1968 as a public corporation and became an independent authority in the Executive Department in 1998, with its Director reporting to the Governor as a member of the Cabinet.

The mission of the Delaware State Housing Authority (DSHA) is to efficiently provide, and assist others to provide, quality, affordable housing opportunities and appropriate supportive services to responsible low- and moderate-income Delawareans.

In addition to its role as the State's Housing Finance Agency, DSHA is unique in that it also serves as a Public Housing Authority and acts as a Community Development and Planning Agency. As a Public Housing Authority, DSHA receives funding from HUD to build, own, and operate public housing in Kent and Sussex counties, two of Delaware's three counties. As such, DSHA provides a wide variety of services to a broad scope of consumers.

PURPOSE

DSHA is requesting proposal(s) from qualified radio / Internet radio broadcast providers for the purposes of radio / Internet radio advertising or underwriting in order to promote Delaware State Housing Authority, its programs and partners, and to enhance the exposure of DSHA to its target audience of decision makers, as well as traditionally underserved populations, throughout New Castle, Kent, and Sussex Counties.

SCOPE OF WORK

The proposal should outline for the following:

- Objectives for achieving maximum exposure in the capital area to the target audience of employers and business executives.
- Demographics for offerors' delivery area, specifically highlighting its ability to reach potential homebuyers within DSHA's eligibility criteria.
- Format of station(s), specifically highlighting listener demographics, and highlighting news/talk programming.
- Format of ads indicating if ads are read by announcers, traditional :30 and :60 spots, "generously supported by/sponsored by," etc.
- General schedule of when the ads/underwriting will run (morning, evening, weekdays, weekends).
- Unique ideas for appropriate programming or relevant ways to highlight DSHA programs and services for our customers.
- All associated production costs.

The proposal should provide outlines for running air times for a buy of:

- \$1,000
- \$2,500
- \$5,000
- Or any applicable bundle special pricing/rates

Proposals from a broadcasting company that owns multiple stations should include ALL relevant and appropriate stations as a part of one proposal with budget levels serving as a total cost among all stations. The successful proposer(s) will be required to receive approval by the DSHA on all finished products.
